

HEALTHY MATERIALS FAIR

2019 EXHIBITOR PARTICIPANT FORM

Healthy Materials Fair is a comprehensive, intermediate-level of knowledge educational tracks delivered by industry leaders to provide Architects and Designers with the fundamentals to understand materials' health and optimize material selections. Architects and designers can reduce social and environmental impacts by specifying products from manufacturers that practice transparency and ensure eliminating the introduction of harmful substances and practices in the built environment. CoTE's Healthy Materials Fair is being held on **Tuesday, September 24, 2019** from 8:00 AM to 12:00 PM (Noon) at ADEX. We invite you to be part of the Healthy Materials Fair as an EXHIBITOR and help move our industry forward to full material transparency.
