

2021 ENLACES

CALL FOR ENTRIES

Our mission is to serve and support our local communities, strengthen relationships and networks between professionals in the field of architecture, and promote their projects in our communities. We will also work to be a positive influence for Latino students aspiring to become Architects by finding volunteers opportunities, getting involved in community issues, providing guidance and expertise and participating in mentoring programs.

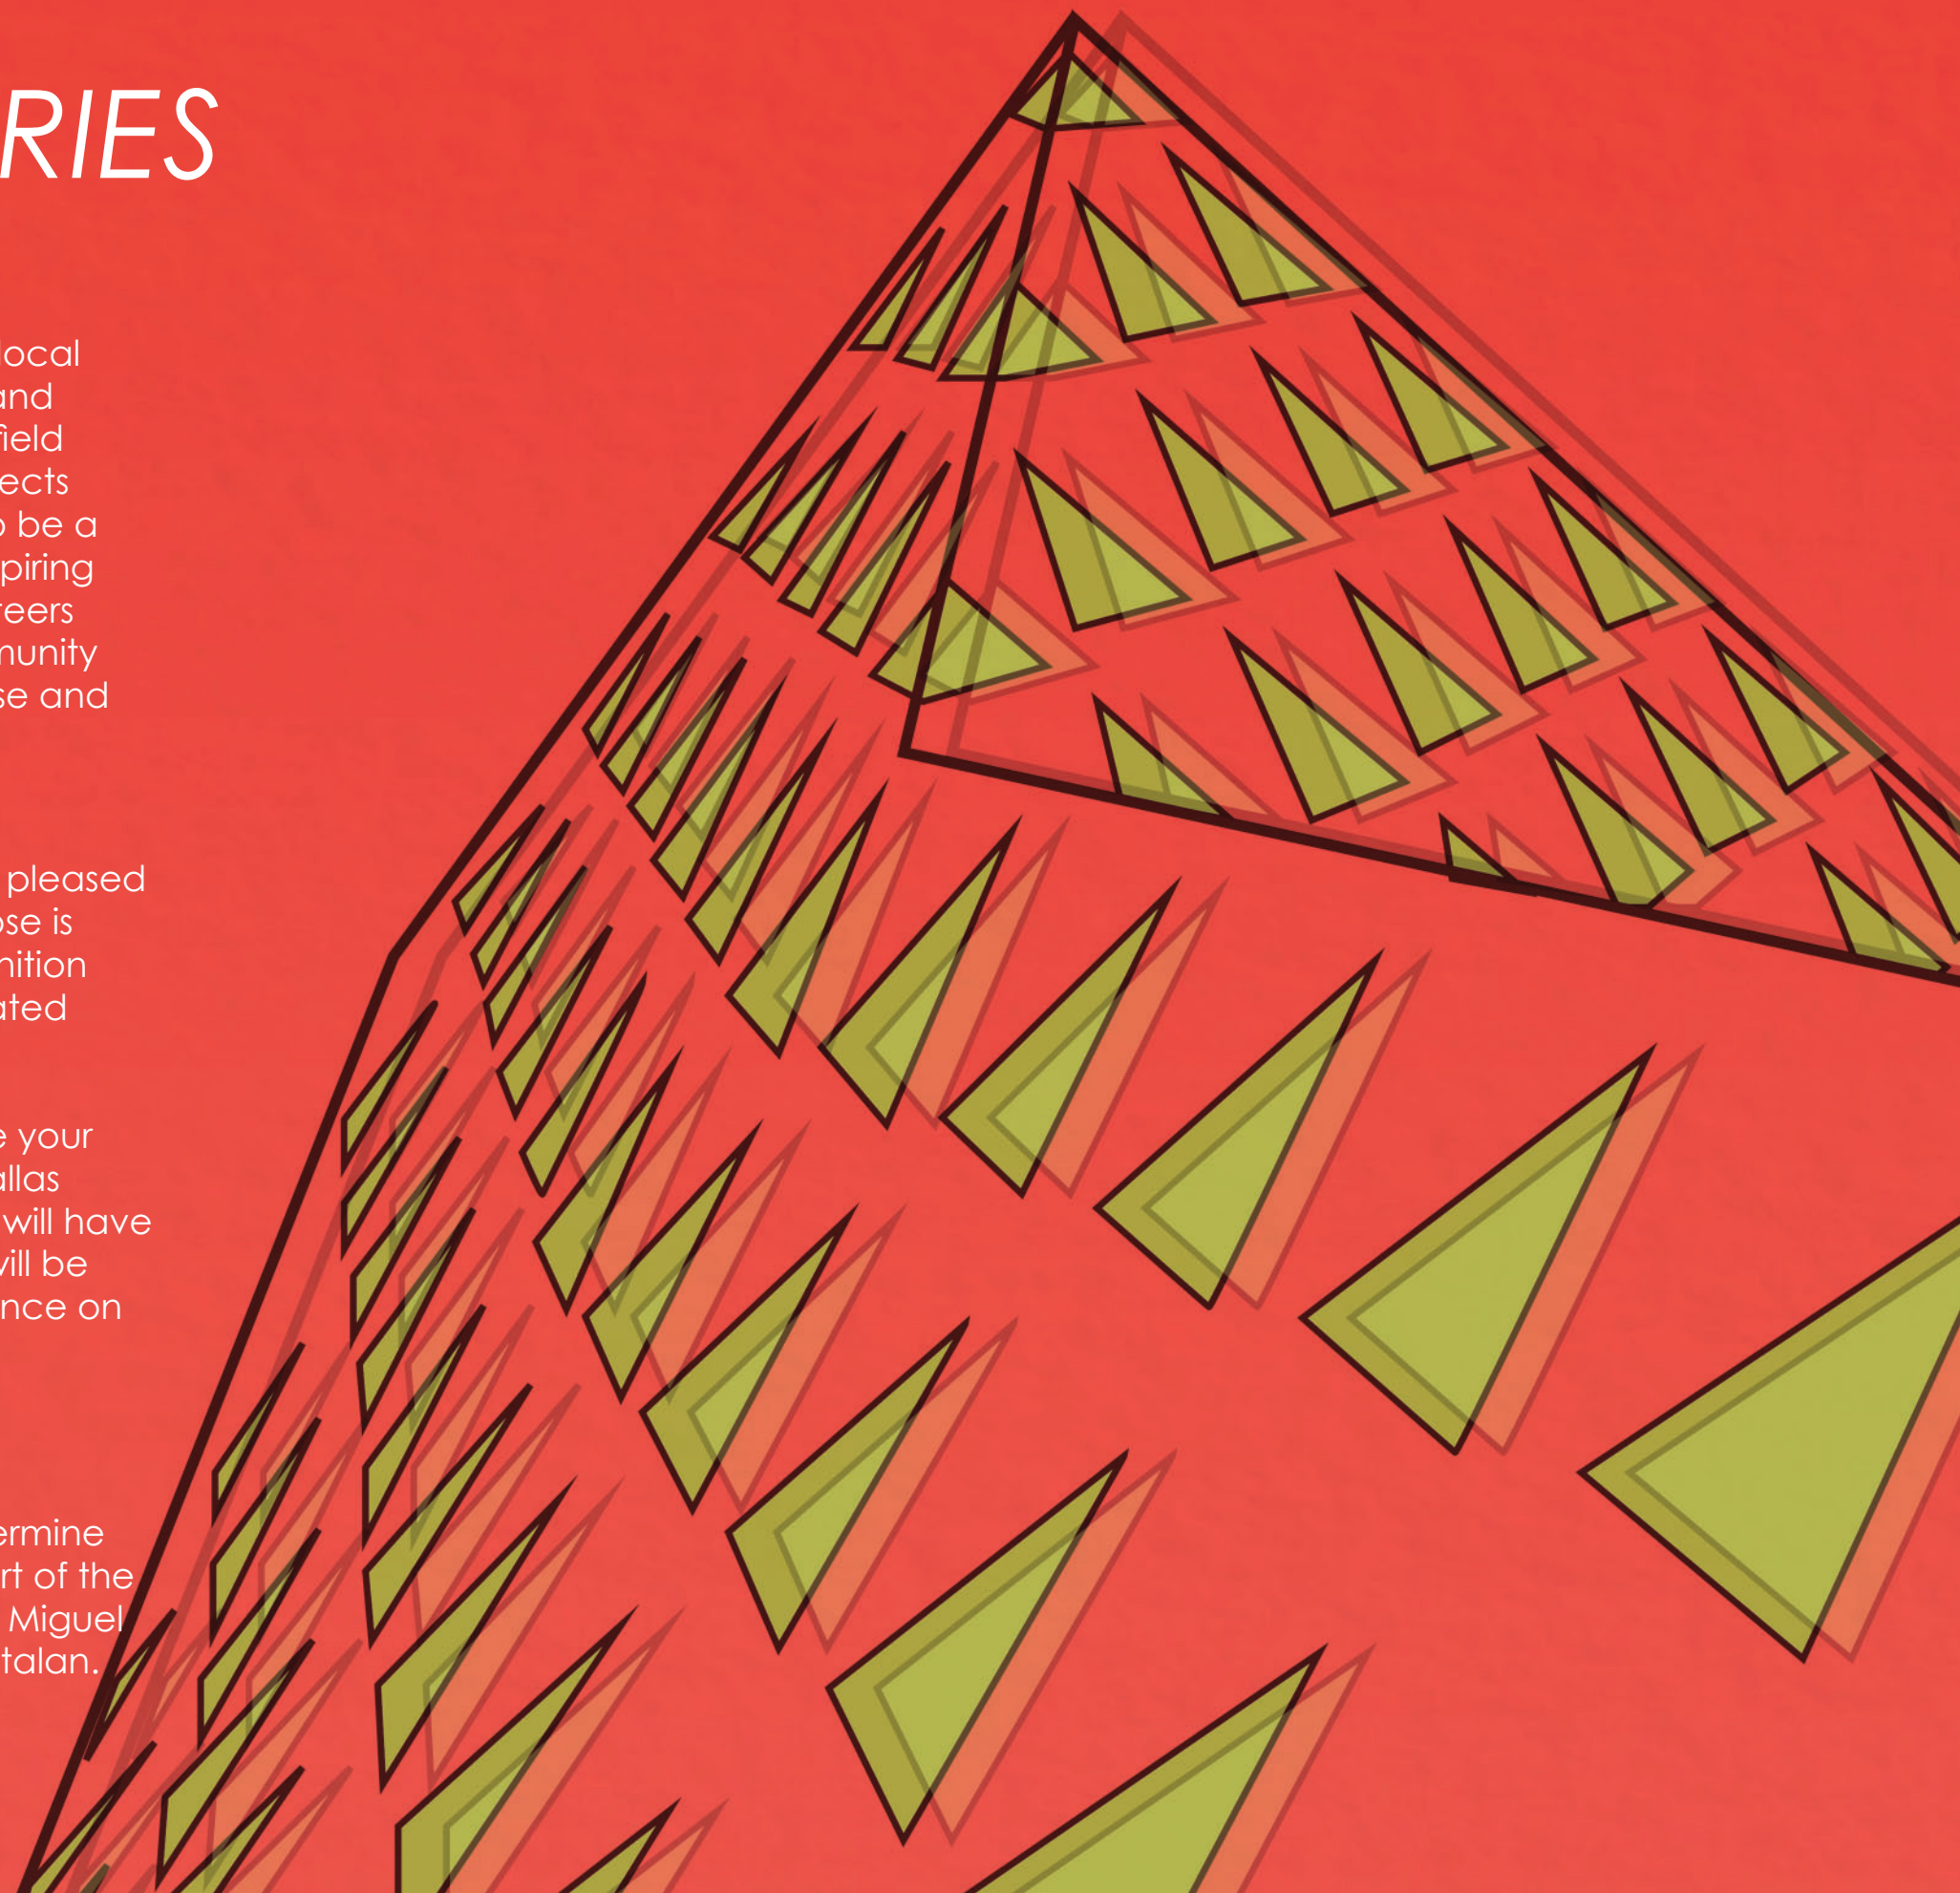

ENLACES

The AIA Dallas Latinos in Architecture is pleased to announce ENLACES 2021. Our purpose is to bring awareness and provide recognition to our Latino Architects and design related professionals in Dallas.
